Remote  
- KS1 (January

Learning Guidance  
2021)

In KS1 our online learning will take the format of a mixture of live sessions, online videos and independent tasks. We will be mainly using Zoom and Class Dojo as our platforms but Yr2 may also use Google Classroom at times to post certain tasks for the children or live meets. Our aim is to make it as simple for you as we can without hindering the education of the children. The lessons and activities we deliver online will mirror the learning delivered in class and will be sequential. Therefore it is important children keep up to date with work to prevent them from falling behind. Children should attend all or most of the live sessions, but where they are unable to make live session then videos will be posted so the children can complete the work at a time suitable for them.

Yr1 will have:

- 2 pre-recorded videos for English and the afternoon session
- 3 Live sessions for maths, an English feedback session and daily catch-up
- Daily access to the online phonics school portal
- Signposted additional learning and practise for the children to complete independently

Yr2 will have:

- 3 Live sessions daily for English, maths and Story
- 1 pre-recorded session for science and topic each week
- Some children will have daily access to the online phonics school portal

*Free to Flourish!*

Signposted additional learning and practise for the children to complete independently

A daily timetable will be posted each day on Class Dojo which will include times, resources and hyperlinks to videos. This will follow the weekly timetables for year 1 and 2 which can be found below. Zoom/GC links for the live sessions will be posted on Dojo in the morning.

Please submit any work to your child's Portfolio page on Class Dojo (unless specified otherwise). This keeps your child's work in their own file and allows us to give supportive and positive comments. A guide for uploading to Portfolio can be found here

**Additional Resources** – worksheets, ppts etc that are needed for lessons will be posted on class Dojo the day of the activity. Other links to videos or sites that will aid home learning will be posted on the daily timetable. If there are resources we cannot upload we will collate them into a pack for pick-up from school.

### **Extra Activities**

Reading is an essential part of your child's learning. Please read at home daily with them [www.oxfordowl.co.uk](http://www.oxfordowl.co.uk) children access books here.

TTRS - Year 2 children have all been given a login for Timestables Rockstars. Use the garage activity to practise

Cracking Comprehension - The children have been given a login to access comprehensions online.

Hit The Button - An online game where the children can practise number facts.

P.S.H.E - Links will be posted on Class Dojo

Thank you for taking the opportunity to read the information. We understand the pressures of home learning and will try to make it as straight forward and as easy as possible. Unfortunately there may be times when we have to make changes but we will keep you informed well in advance as possible. If you have any queries regarding the learning of your child please do not hesitate to contact the class teacher via Class Dojo. Your support is vital to enable us to continue to educate your child in these very difficult circumstances.
