

Roe Lee Park Primary School & Nursery

Free to Flourish

English

In English we will be writing instructions, using bossy verbs and time phrases and exploring the classic story of Peter Rabbit.

Maths

In Maths we will be focusing on

20

the composition of numbers and place value to twenty before applying this to addition and subtraction within 20.

Science

Our topic this half term is

plants. We will be developing vocabulary to name and identify the structure of plants and trees.

Geography

In Geography we will be

looking at our local environment. We will learn about the human and physical features of our town, Blackburn,

Computing

We are artists.

In Computing we will

be exploring ways to create art on computers. We will use a variety of colours and patterns to create artwork.

Year 1
Spring 1

Forest School

Robins will be spending

some time in Forest School this half term. They will have the opportunity to explore nature and use natural resources to make tools.

Religious Education

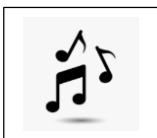

In RE we will be learning

who is a Christian and what they believe.

Music

In Music we will be learning the song,

'In The Groove' and using actions to represent the rhythm.

Physical Education

In PE we will be

learning a variety of gymnastics movements to develop a sequence. We will then work collaboratively to piece the movements together and perform for our friends.

PSHE

In PSHE we will be

focusing on health and wellbeing and what keeps us healthy.

We will be exploring healthy diets and looking after our body and mind.
