

Roe Lee Park Primary School & Nursery

Free to Flourish

English

In our English lessons this half term, we will be focussing on a Shakespearean text, 'Romeo and Juliet'. We will look at Shakespeare as a writer and discuss why people still read his work. The children will develop skills in writing using Shakespearean language.

Maths

In our Maths lessons, we will be multiplying and dividing fractions before moving onto looking at algebra and decimals.

Science

In our science lessons this half term, we will be looking at 'Living things and their habitats'. They will look at why animals are classified into groups and learn to use classification keys.

Geography

In geography this half term, we will be learning all about coastal areas and how they are formed. Children will try and think about why Blackpool is a good coastal town for tourists to visit.

Year 6
Spring 1

Art

In Art this half term we will be looking at pop art. The children will be able to look at examples of this art form and research the work of the artist Andy Warhol.

Computing

In our computing sessions we will be looking at developing skills to help solve problems in an efficient way.

Religious Education

In RE this term, the children will research and answer the following question:

Is it better to express your beliefs in art and architecture or in charity and generosity?

Music

In our Music sessions this half term, we will focus on Benjamin Britten's Friday Afternoon's; A New Year Carol.

Physical Education

In PE, we will be continuing with gymnastics and moving onto designing our own routine.

French

In French this half term our topic is Bon Appetite, where we will look at a variety of French foods.

PSHE

For our PSHE sessions, we will think about personal safety, looking at how to keep ourselves safe online, on water, on roads and railways.
